Vision:

To be recognized as the most respected service provider that fosters pathways to Education, Employment & Economic Empowerment.

The Urban League Movement:

This is a historical moment in time, as the National Urban League celebrates its 100th Anniversary by launching the **I Am Empowered** initiative to instill a message of hope and individual empowerment that will make a lasting difference in America.

With **I Am Empowered**, Urban League affiliates are challenging the nation to eliminate racial gaps and disparities in housing, education, employment, and healthcare.

While the Centennial celebration is a time to reflect on the rich history and legacy of the National Urban League, it is also a time to look forward. As we work in tandem with the **I am Empowered Campaign**, this is an opportunity to establish stable revenue streams to enhance the overall sustainability of the Jacksonville Urban League.
